

Seneca-Cayuga Canal Construction

Creator:

A.L. Russell

Title:

Seneca-Cayuga Canal Construction

Date:

September 4, 1910

Identifier:

N0001.2015(33)

Description:

View of the construction of the Seneca-Cayuga Canal. In the distance, on the right is the dredger Clyde. An elevated pipeline runs through the center of the canal. On the bank of the canal is construction material or debris from the construction. This photo is part of a series showing the progress of the improvements made from 1910-1918 on the Seneca-Cayuga canal branches of the barge canal.

Physical dimensions:

height 6.125 in ; width 8 in

Format:

Print, Photographic

Coverage:

Seneca County ; Cayuga County

New acquisitions
